IPFire Office Appliance (GB)

IPFire Office Appliance (GB)

Opening a small office is a big step – our IPFire Office Appliance is here to help

If you're a small business or opening a satellite office in a new location, our IPFire Office Appliance could be just what you need.

Imagine our IPFire Mini Appliance with a lot more muscle – small form factor with plenty of oomph and similar features to our larger appliances.

Key Features

- Designed & Tested by the IPFire Development Team
- Ideal for Small/Medium Business, Home Office, Power Users
- Silent Operation with Noctua(R) Industrial Fans

Specifications

- Quad-Core Intel(R) Atom(R) Server Series Processor
- Four Dedicated Intel(R) Gigabit Ethernet Controllers
