

Lightning Wire Labs

IPFire Enterprise Support

IPFire Enterprise Support

For our customers who need that extra oomph in their support package, we have the Enterprise level support subscription.

Perhaps you need someone to consult in your monthly security meeting or maybe you're implementing new security policies across multiple sites and need additional support with multiple IPFire Firewall Appliances? We're here to help 24/7.

Renewal Interval	1 year
Included Hours	12
Minimum Runtime	1 year
Notice Period	1 month
